

Thank you for attending Heberle Stables summer camp. In order to make the week go by smoothly there are a few things to look out for:

- Be sure to send your child with adequate amounts of fluid, a snack, and a packed lunch.
- Children should arrive with long pants on and a light boot that covers the ankle, low heel.
- It could be very hot; children are more than welcome to change into shorts and sneakers after their riding lessons.
- Baseball hats are also encouraged as a method of cleanliness and to keep your child cool.
- Drop off time is at 9am, if your child is doing half-day camp, pick up is at noon. If your child is staying for a full day, pick up time is at 4pm. (if you need before or after care, please notify us)
- Please **Do Not** speed up the driveway, there are lots of kids and animals that live here.
- While the dogs are friendly, they are “working” on the farm. Please tell your children to leave the dogs and cats alone.
- Please bring a backpack or bag for all of the campers belongings to be stored
- Please notify staff if there is any exposure to COVID or any concerns

Each day upon arrival,

- Park cars (past the 2 houses) and proceed to the registration table for sign in.
- Payment and paperwork completion will be completed at the registration table.
- Camp begins!

Departure

- Please park your car past both of the houses and proceed to the registration table to check your camper out for the day.

Monday and Tuesday

Children will have a riding lesson. Throughout the day they will learn the basics of horse care and safety around the barn. We will also begin our week-long horse project.

Wednesday

In the morning we will have our normal riding lesson. In the afternoon, we will have water day.(water day can be every afternoon if hot and campers choose) If children plan to get wet we suggest bringing a bathing suit, towel, and a change of clothes. For safety reasons shoes must be worn at all times. They can be water shoes, but please no flip flops. Our water day activities include a slip-n'-slide.

Thursday

Another lesson in the morning to polish up for Friday's Horse Show! By this time your child will be schooled enough to demonstrate what they have learned. Ask a counselor on Wednesday for the approximate time of your child's lesson. If you cannot make it Friday, contact us to schedule a time to watch. In the afternoon we will be working on a craft and bareback riding.

Friday

Horse Show Day! Come and watch your child demonstrate what they have learned during their riding lesson.

Ask your child which group they are in for the timing of their showtime! 9:30, 10:30 or 11:30.

To wrap up the week we will have a pizza party in the afternoon. Please send your child to camp with \$4.00 for pizza and soda.

We hope your camp experience with Heberle is very pleasant. If you have any emergencies during camp, you may call the numbers below.
